

We say Goodbye to Andrea Shoobridge

At dental on Macquarie we are blessed to be surrounded by excellent practitioners, each bring their own type of wonderful to the practice. We are saddened to have to farewell one of the best, Andrea Shoobridge, due to medical retirement. We have immense gratitude for all that she has contributed to doM, to her adoring patient base and to the industry as a whole. She will be sorely missed but will remain a forever member of our tribe.

A LETTER FROM ANDREA

To all the people I have had the pleasure of meeting during my Dental Hygiene career.

As you know I have been having trouble with my hands. Unfortunately medical circumstances have forced me to cease practice, which has been very difficult for me of course. I am taking some time out to "reset" and to reassess where to go from here.

I have always been very fortunate to work with excellent clinicians and their teams over my many years, but definitely saved the best for last at Dental on Macquarie. I just wanted to reach out and say a big thank you to all my past patients - I'm sure you all know how much I loved looking after your smiles, but I especially loved the relationships that we formed over the years, sharing about what was happening in our lives and of course the hugs.

I don't need to tell you all how much I am going to miss being a Dental Hygienist, but I feel so lucky to have had the opportunity to start with and have many precious memories and everlasting imprints of all the beautiful people I have been blessed to have crossed paths with.

So Thank you.

Andrea Shoobridge.
